Mr Ray's Class is in a class of its own – high-calibre professional musicians with a wealth of experience including on large stages. THE BAND

LEAD VOCALS

GEE-K The big-voiced Gee-K, known as a support act for Maceo Parker, Jestofunk and Marla Glen, sparks with energy and keeps audiences entertained with his charm and charisma. www.gee-k.ch

JIZELLE It's a great moment when drop-dead gorgeous lead singer Jizelle – Seven's stage partner – captivates audiences with her fabulous soulful voice and incredible stage presence.

RHYTHM SECTION

A pulsing bass, drums to make people groove to the beat, the funkier guitar this side of the Atlantic and virtuoso keyboards providing mind-blowing synth sounds one minute and soulful piano solos the next. Yeah!

HORN SECTION

The original Stinky Hornz – there's nothing quite these guys for precision: they've played on stage with Sting and Ricky Martin – and that's really saying something!
